

Bottom of Layer 2

Elevation Interpolation Options

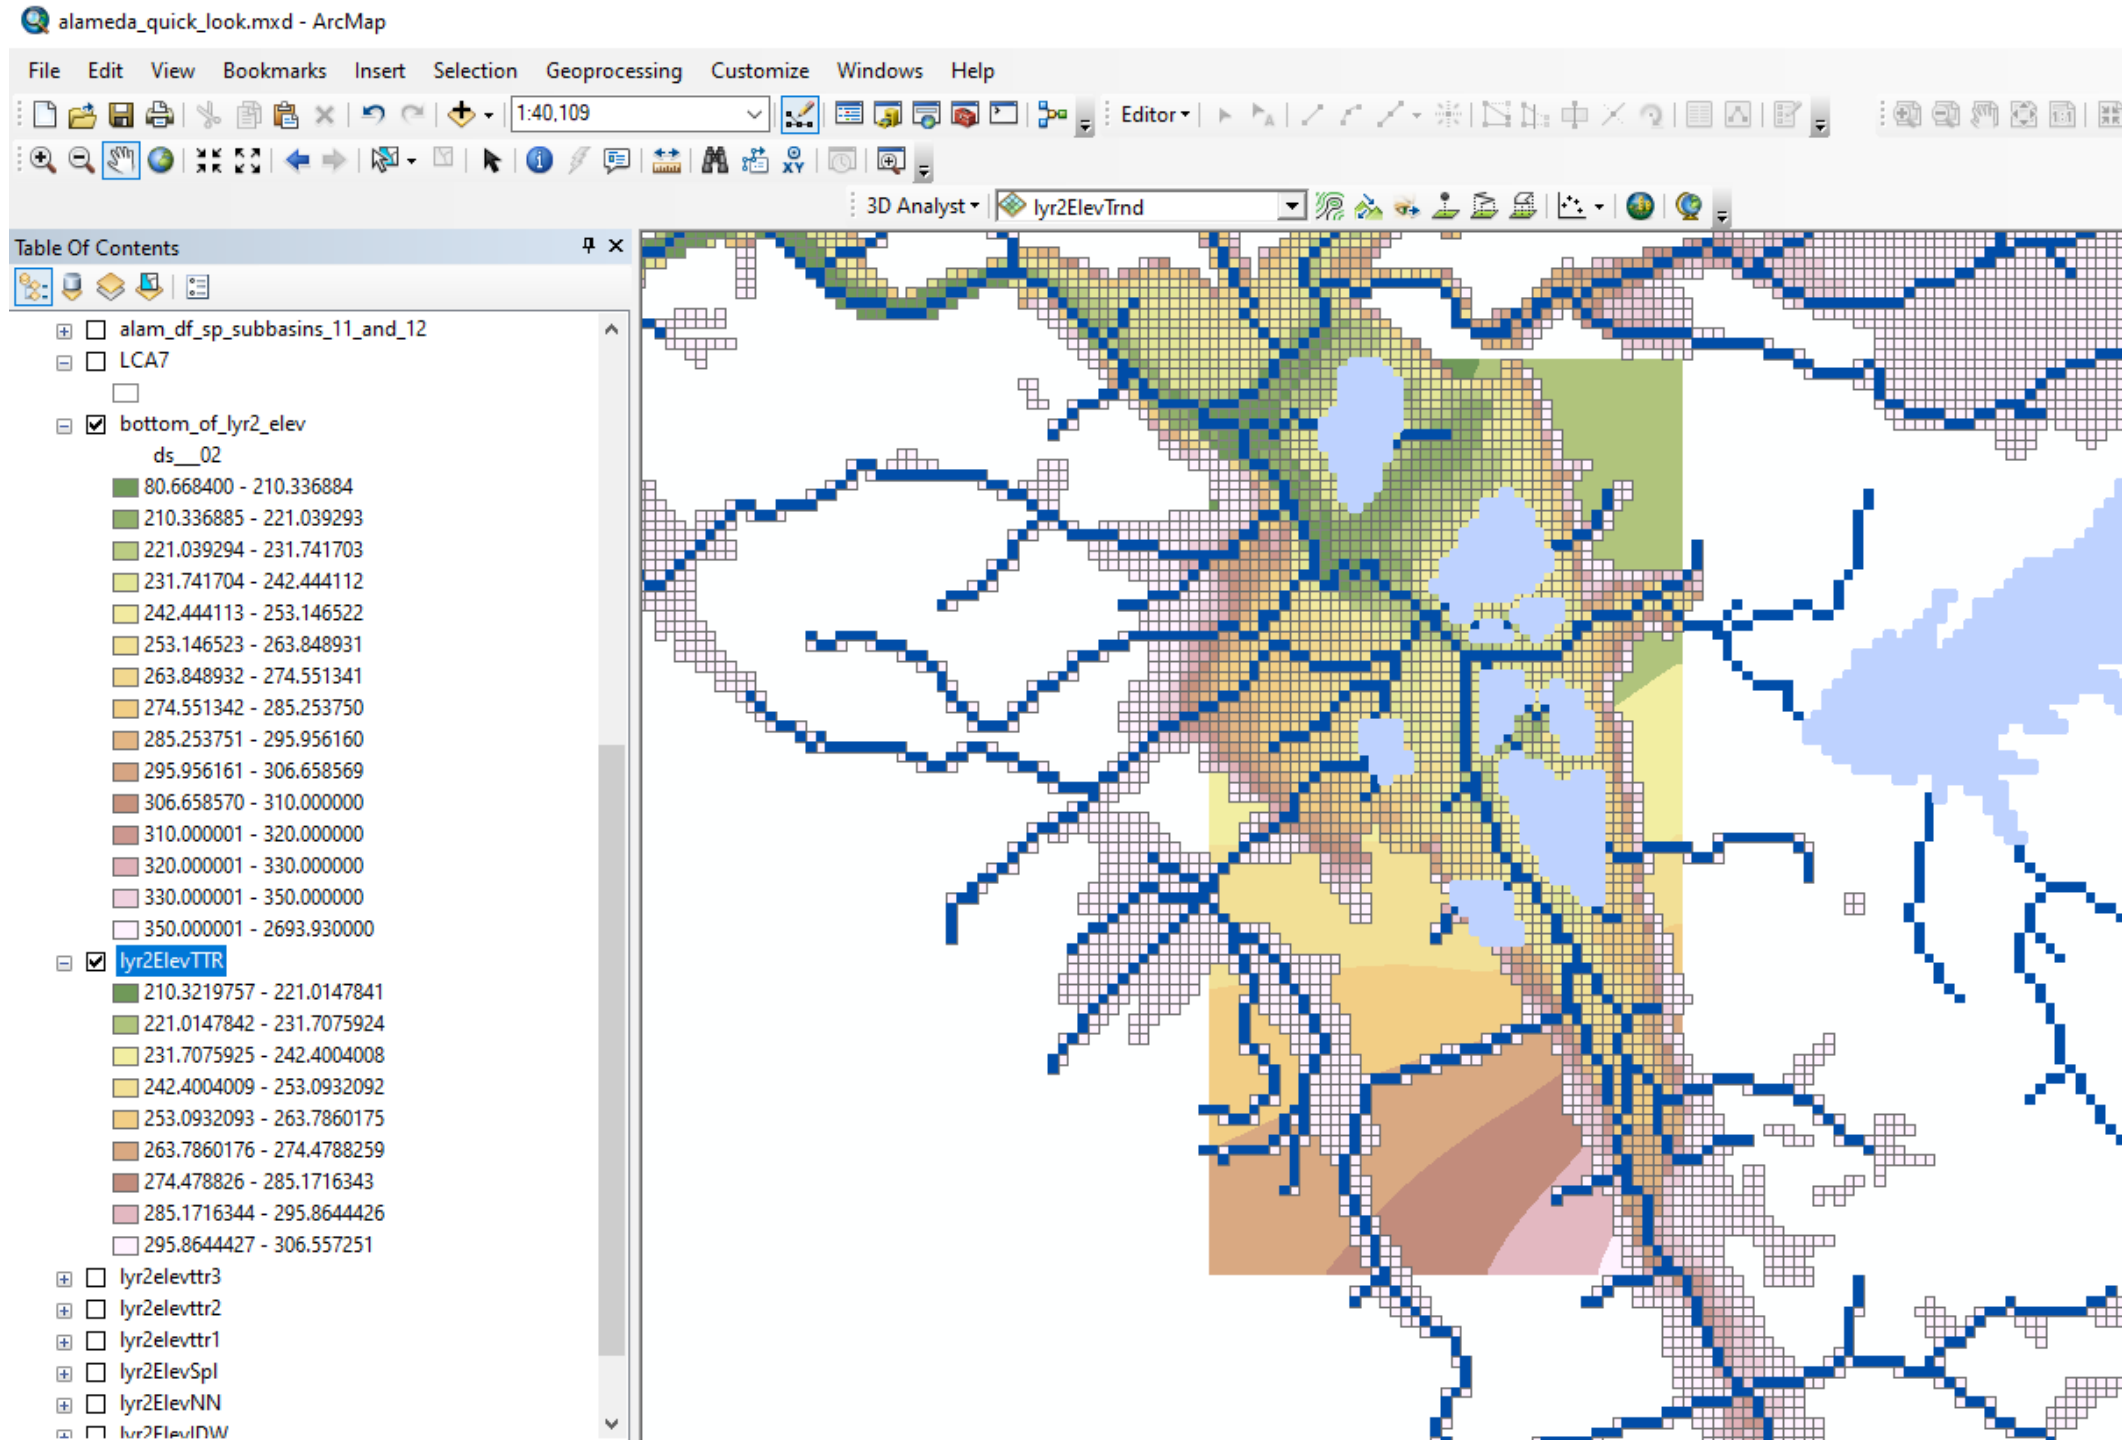

7/30/20

Chosen interpolation

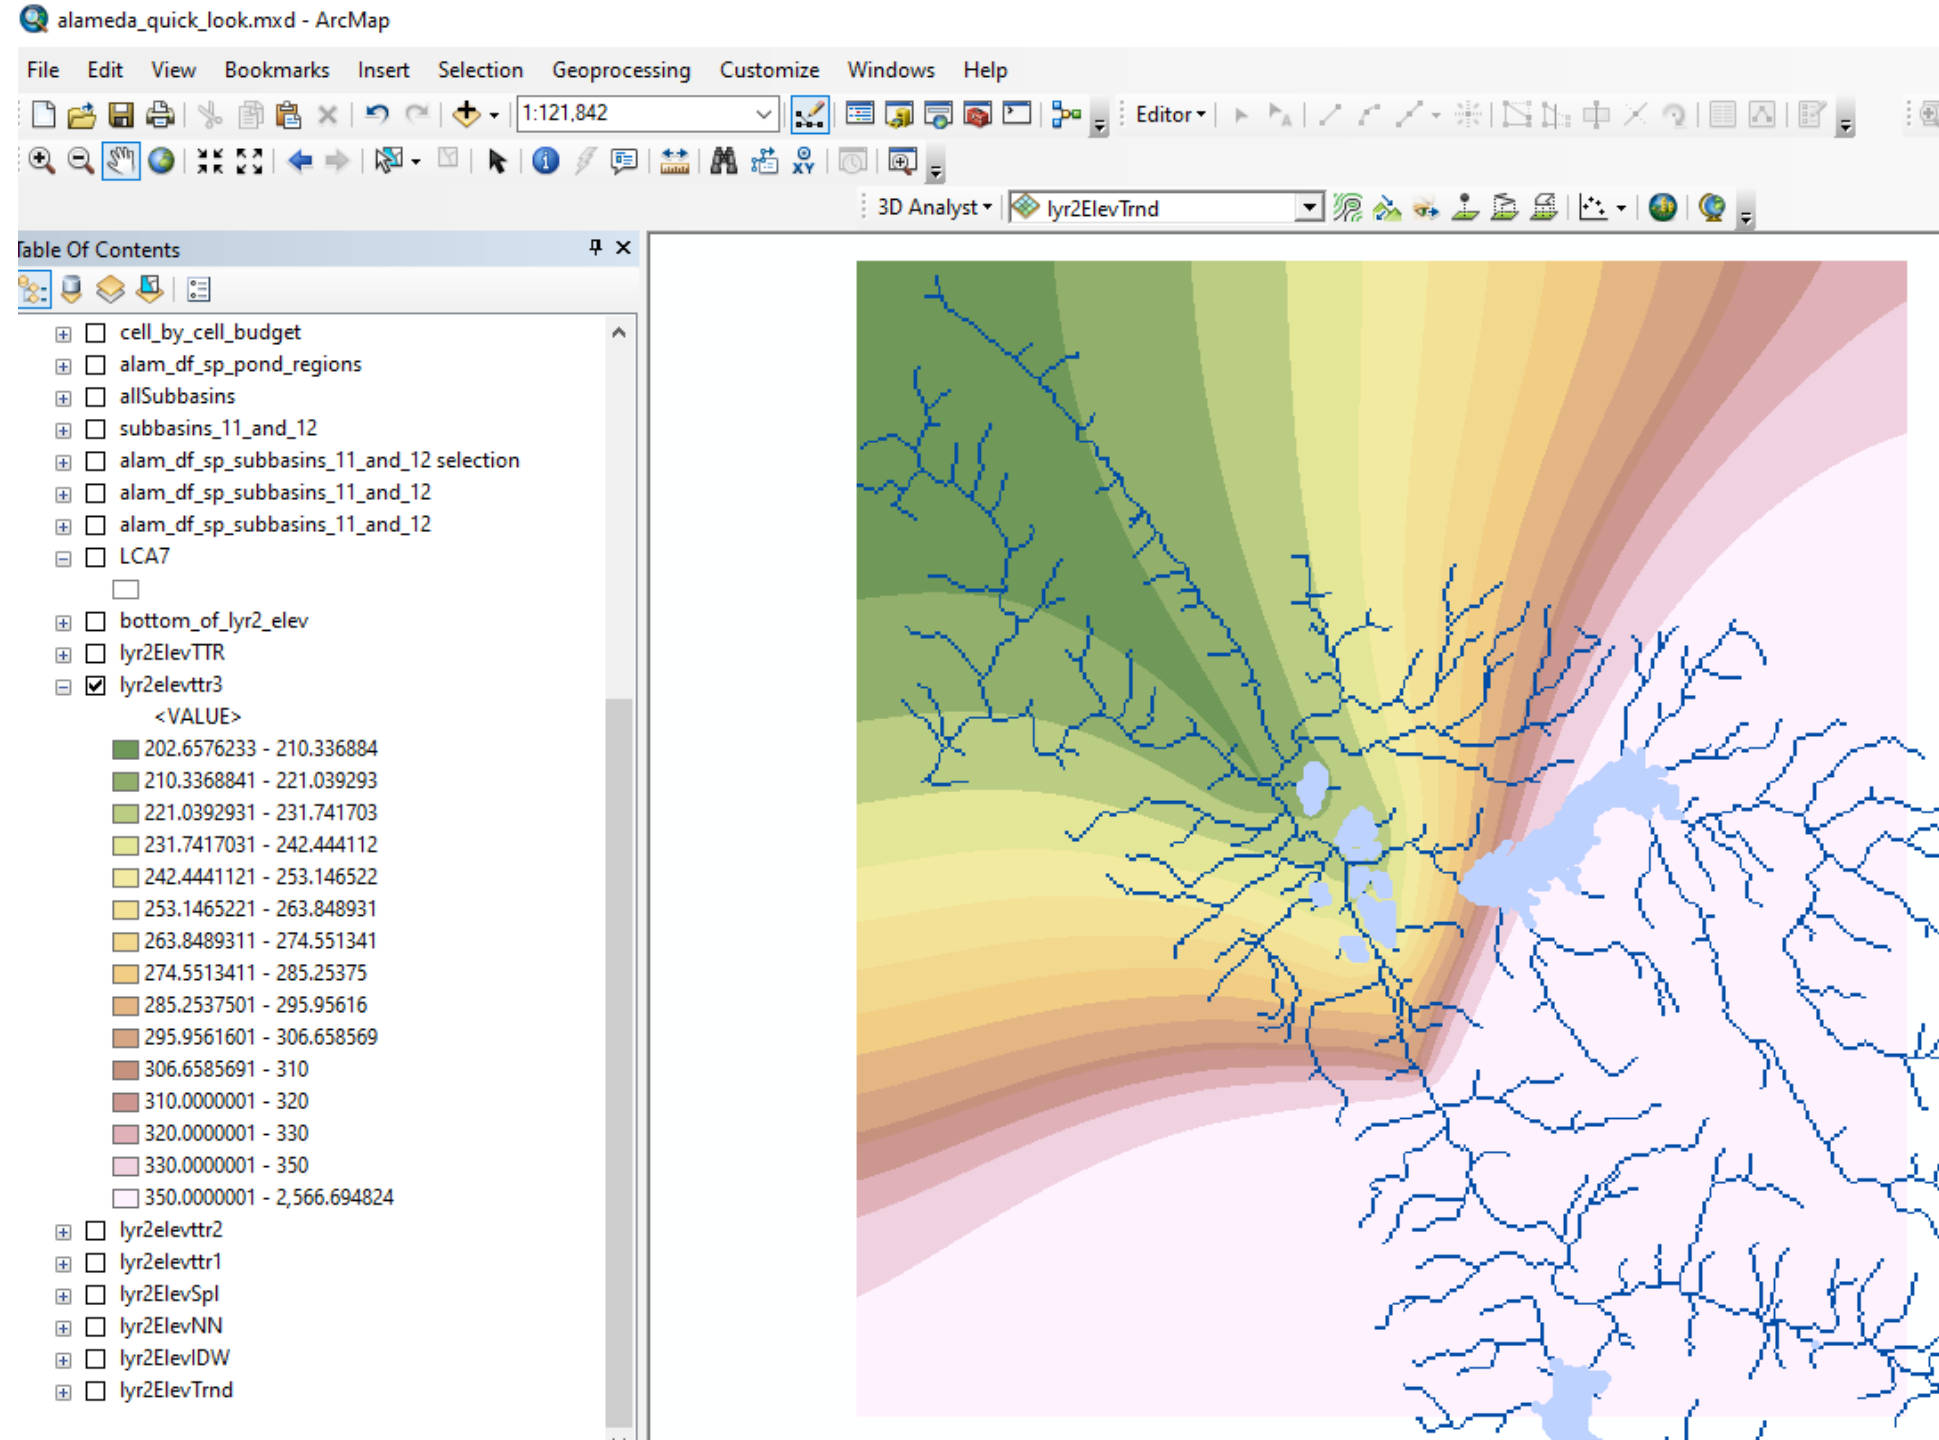

Topo to Raster Interpolation

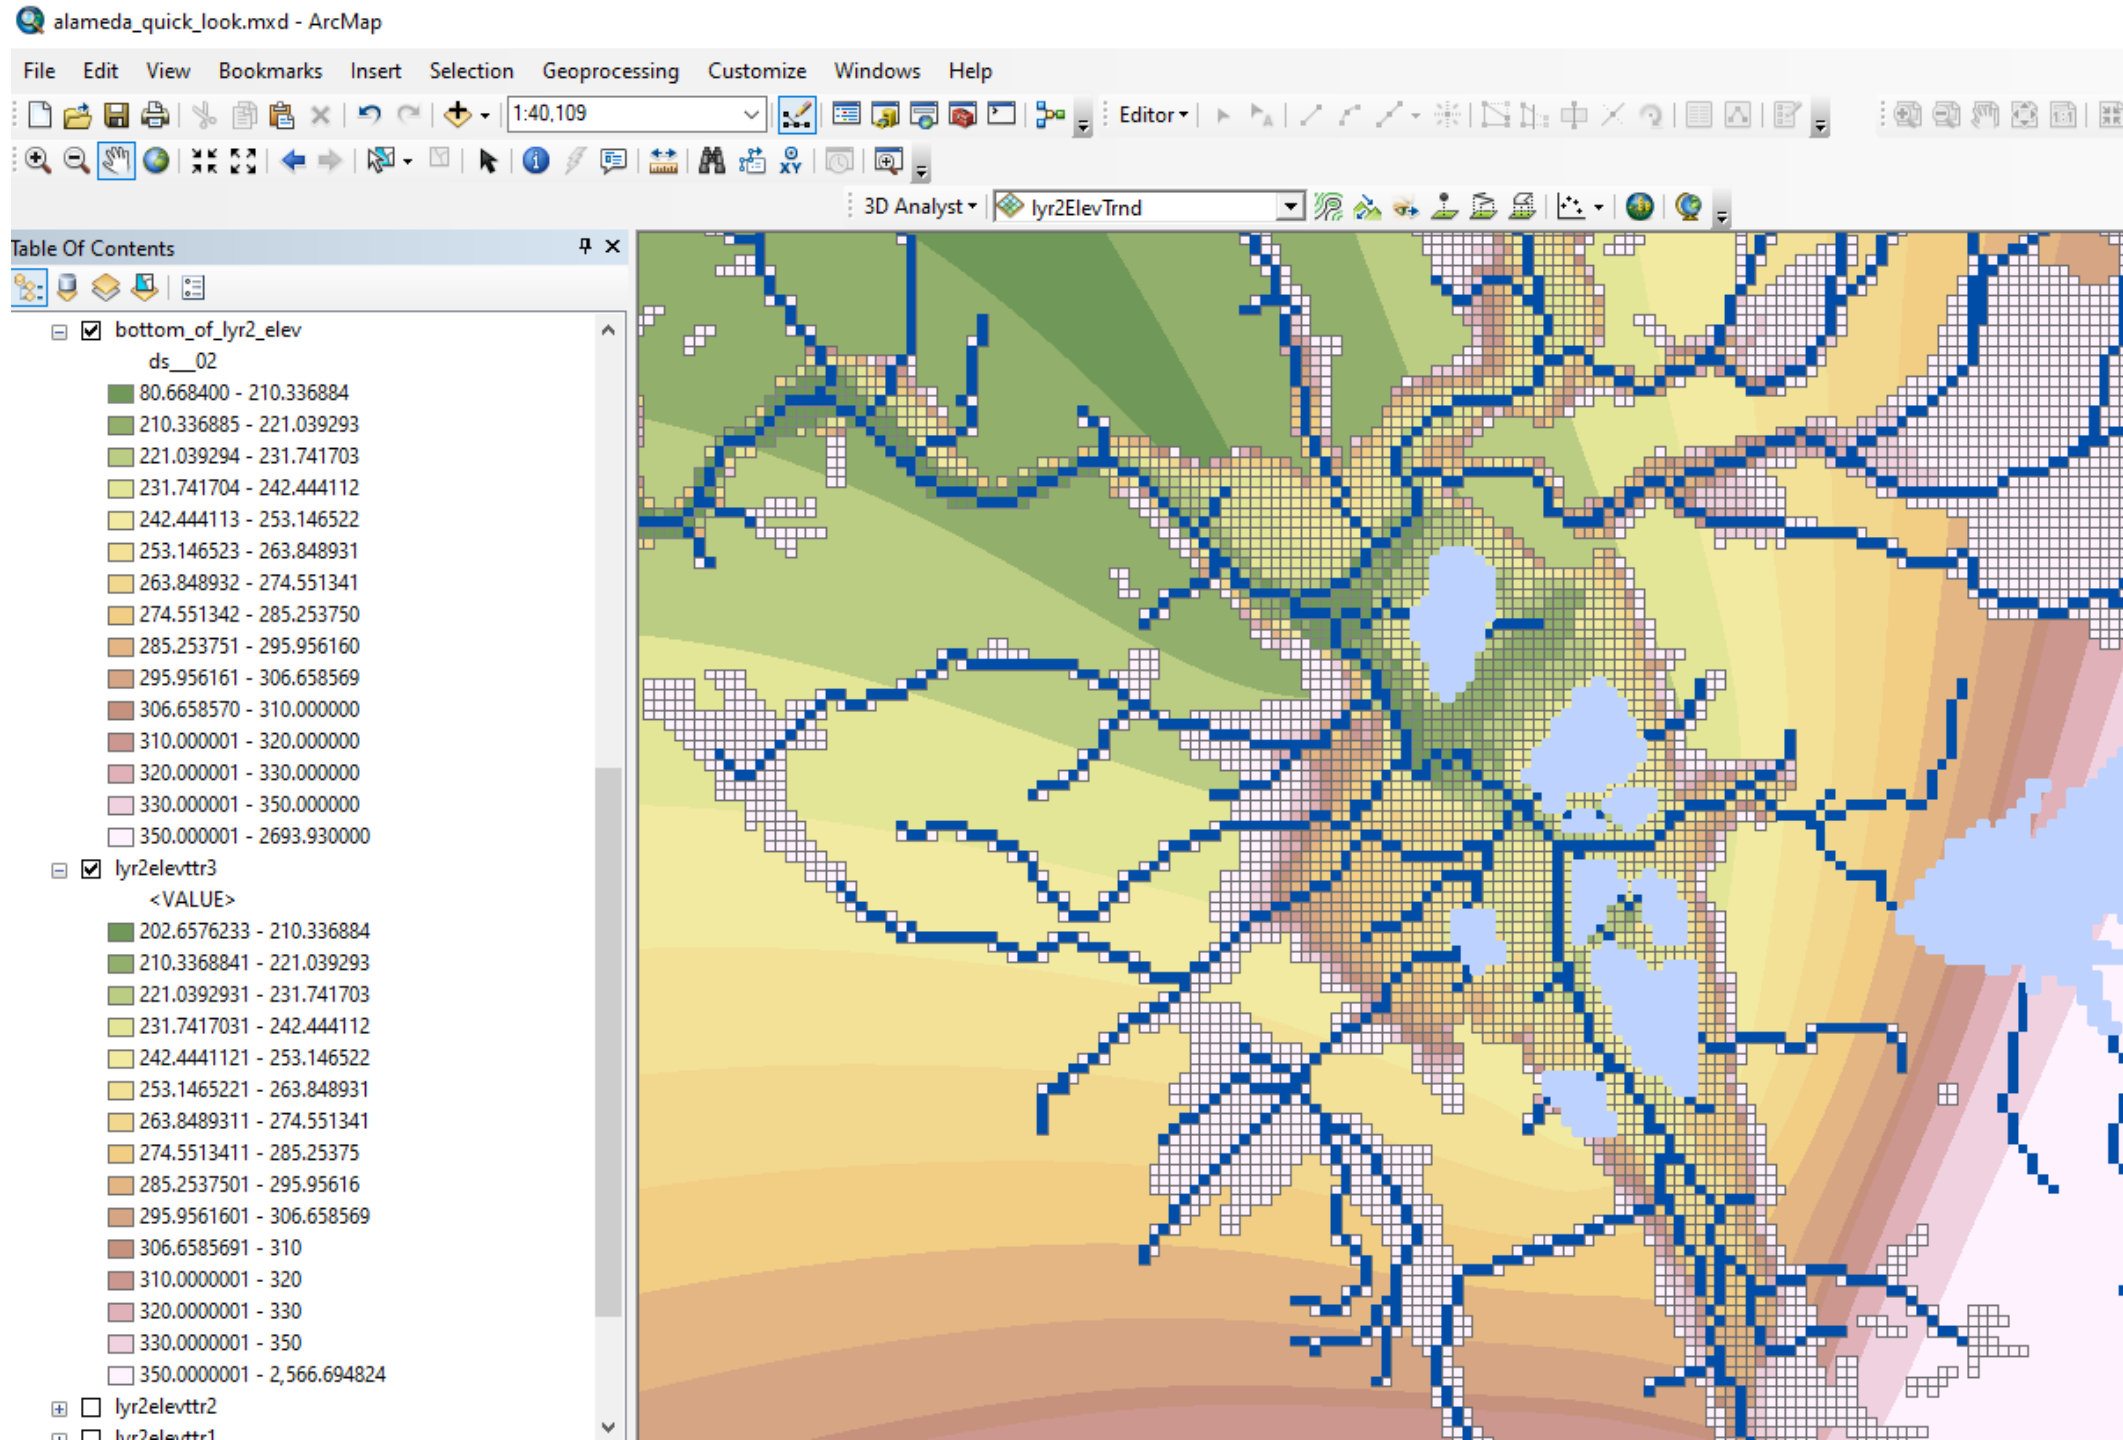

Topo to
Raster
Interpolation:
comparison
with current
bottom of
layer 2
elevations

Topo to Raster Interpolation – with extrapolation throughout entire lower watershed

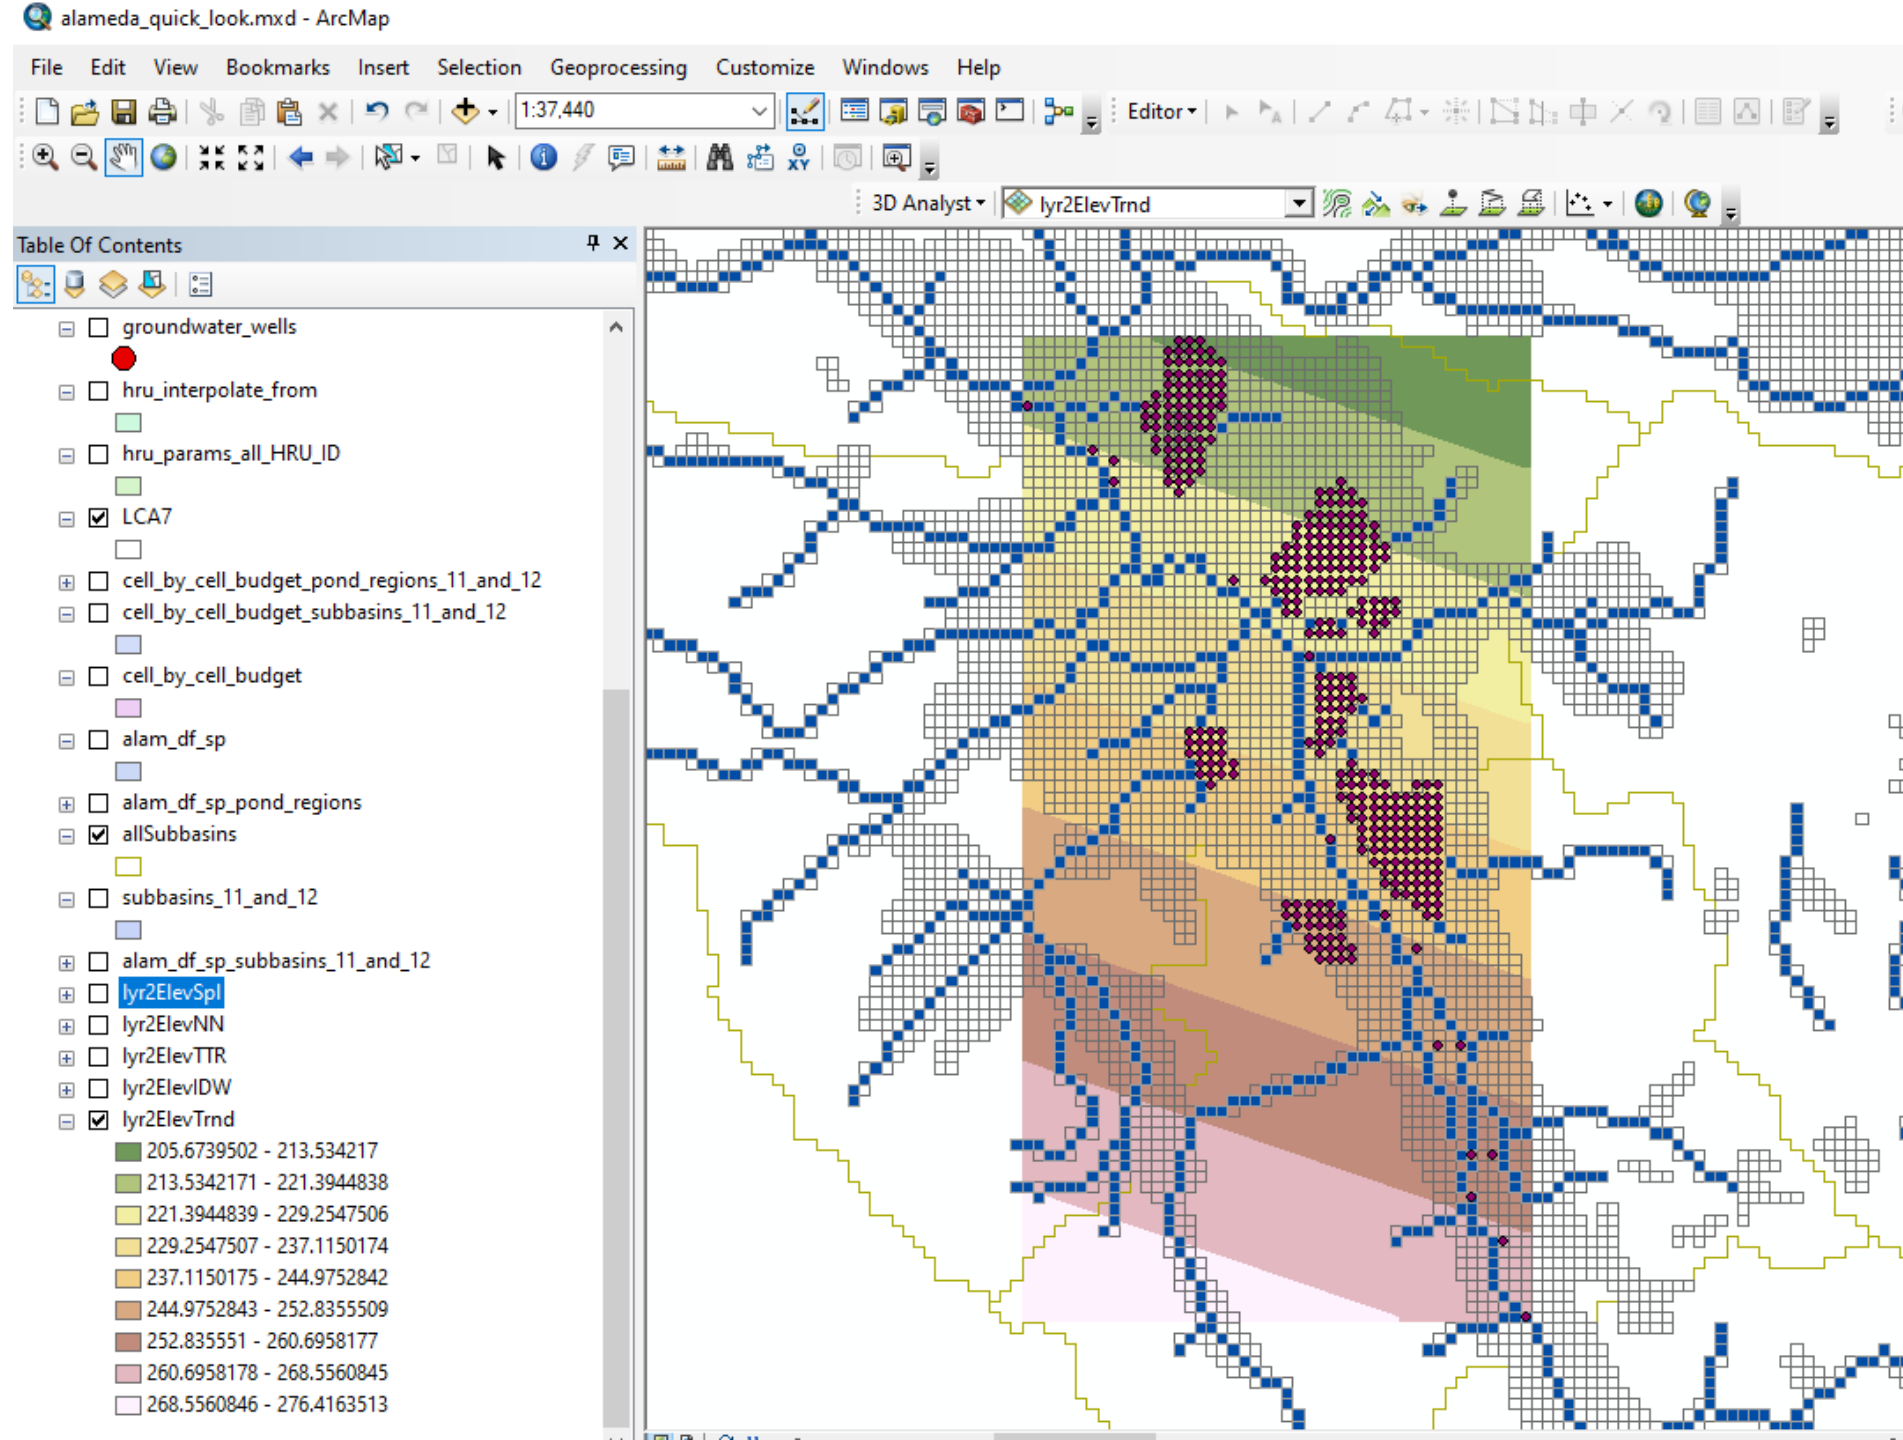

Topo to
Raster
Interpolation
– with
extrapolation
throughout
entire lower
watershed:
comparison
with current
bottom of
layer 2
elevations

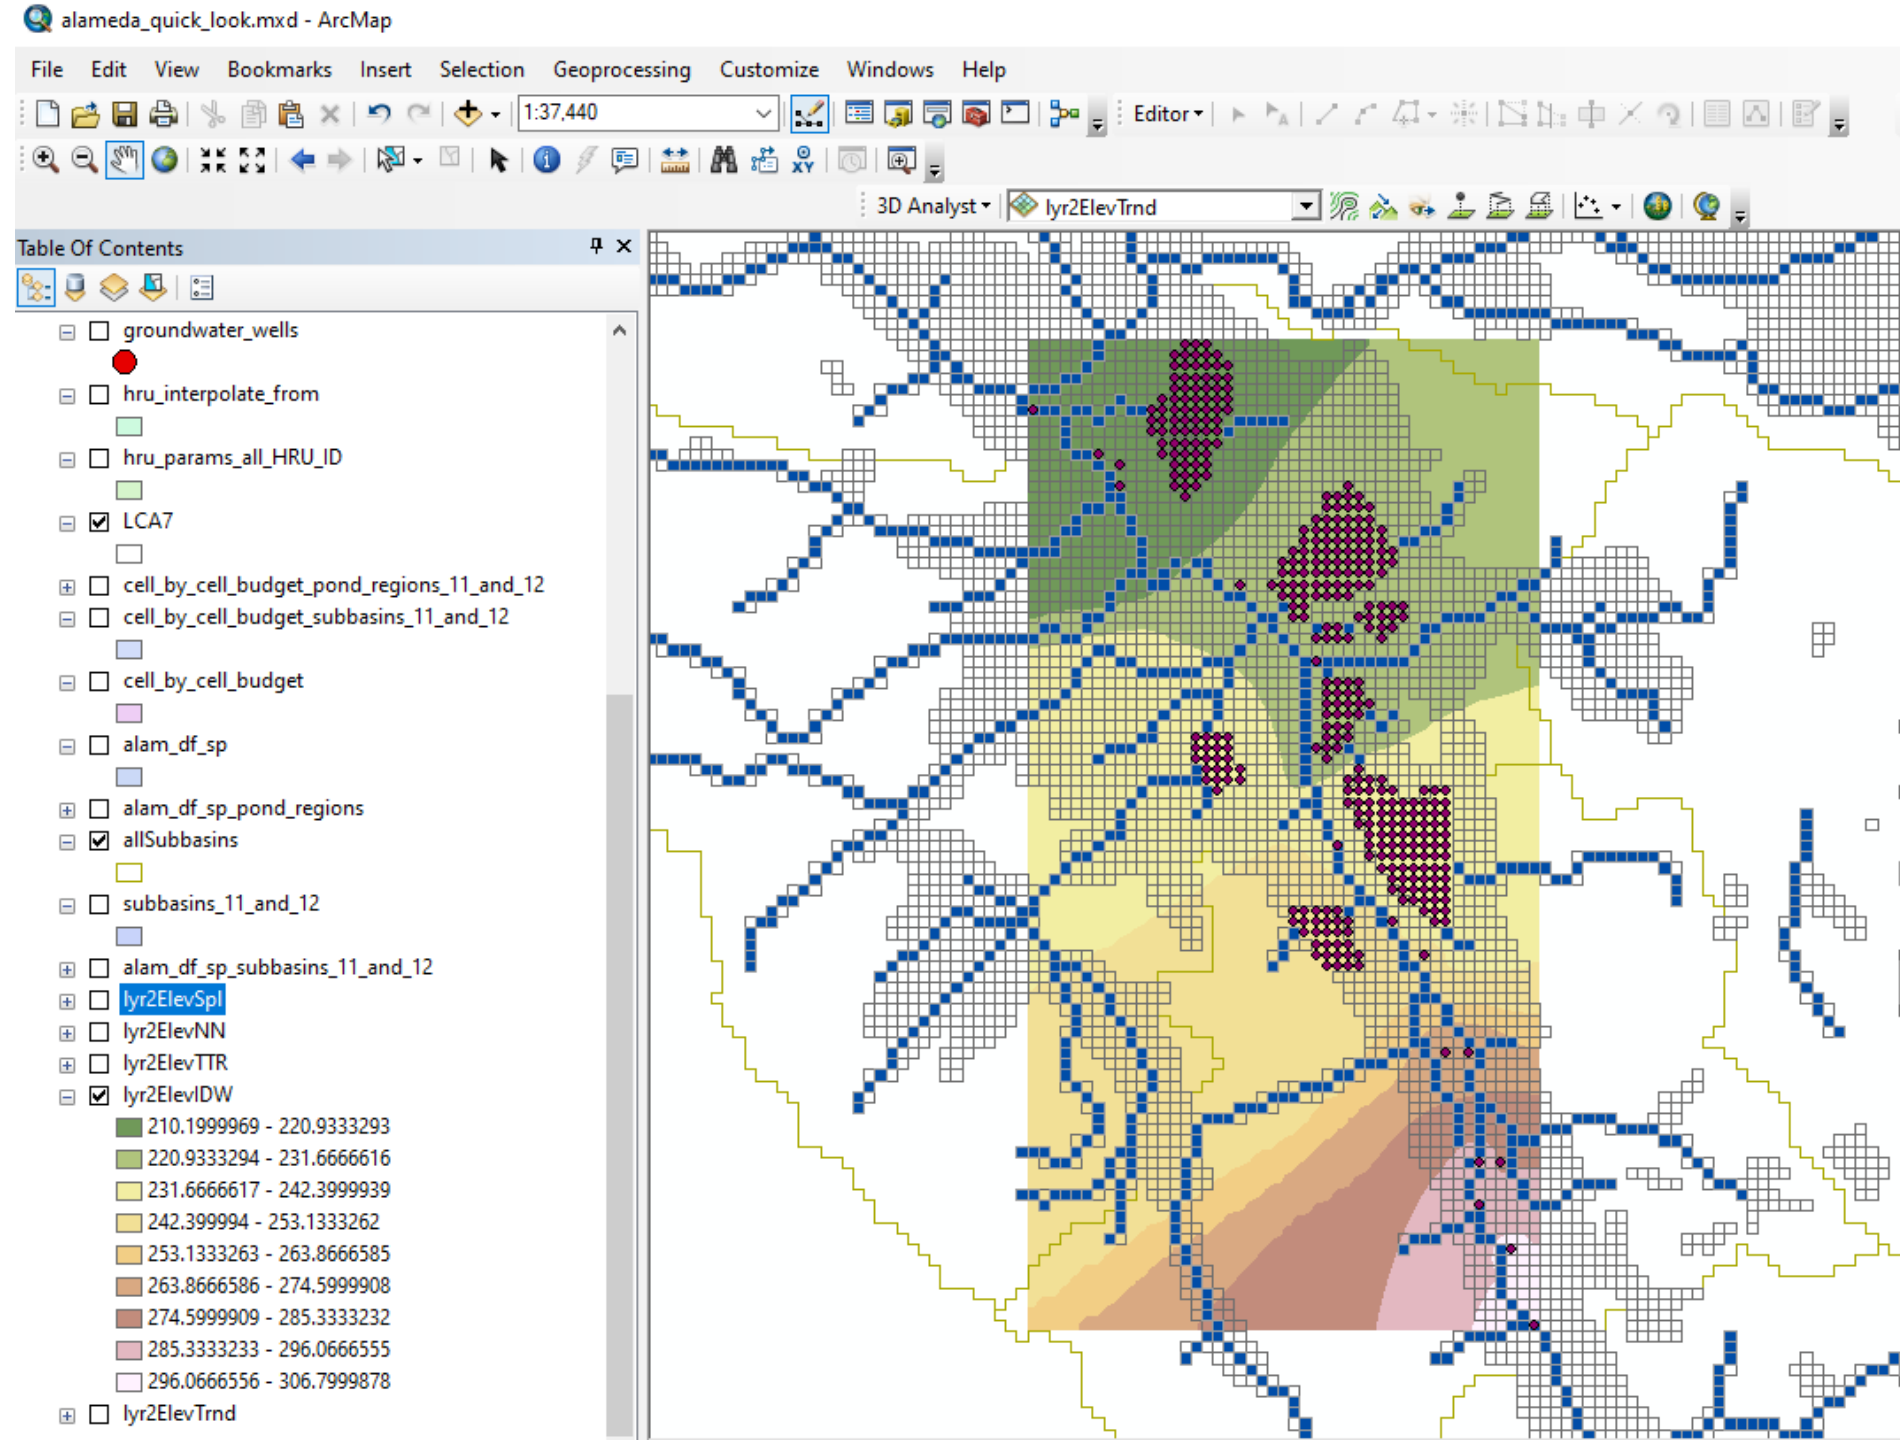

Other interpolations

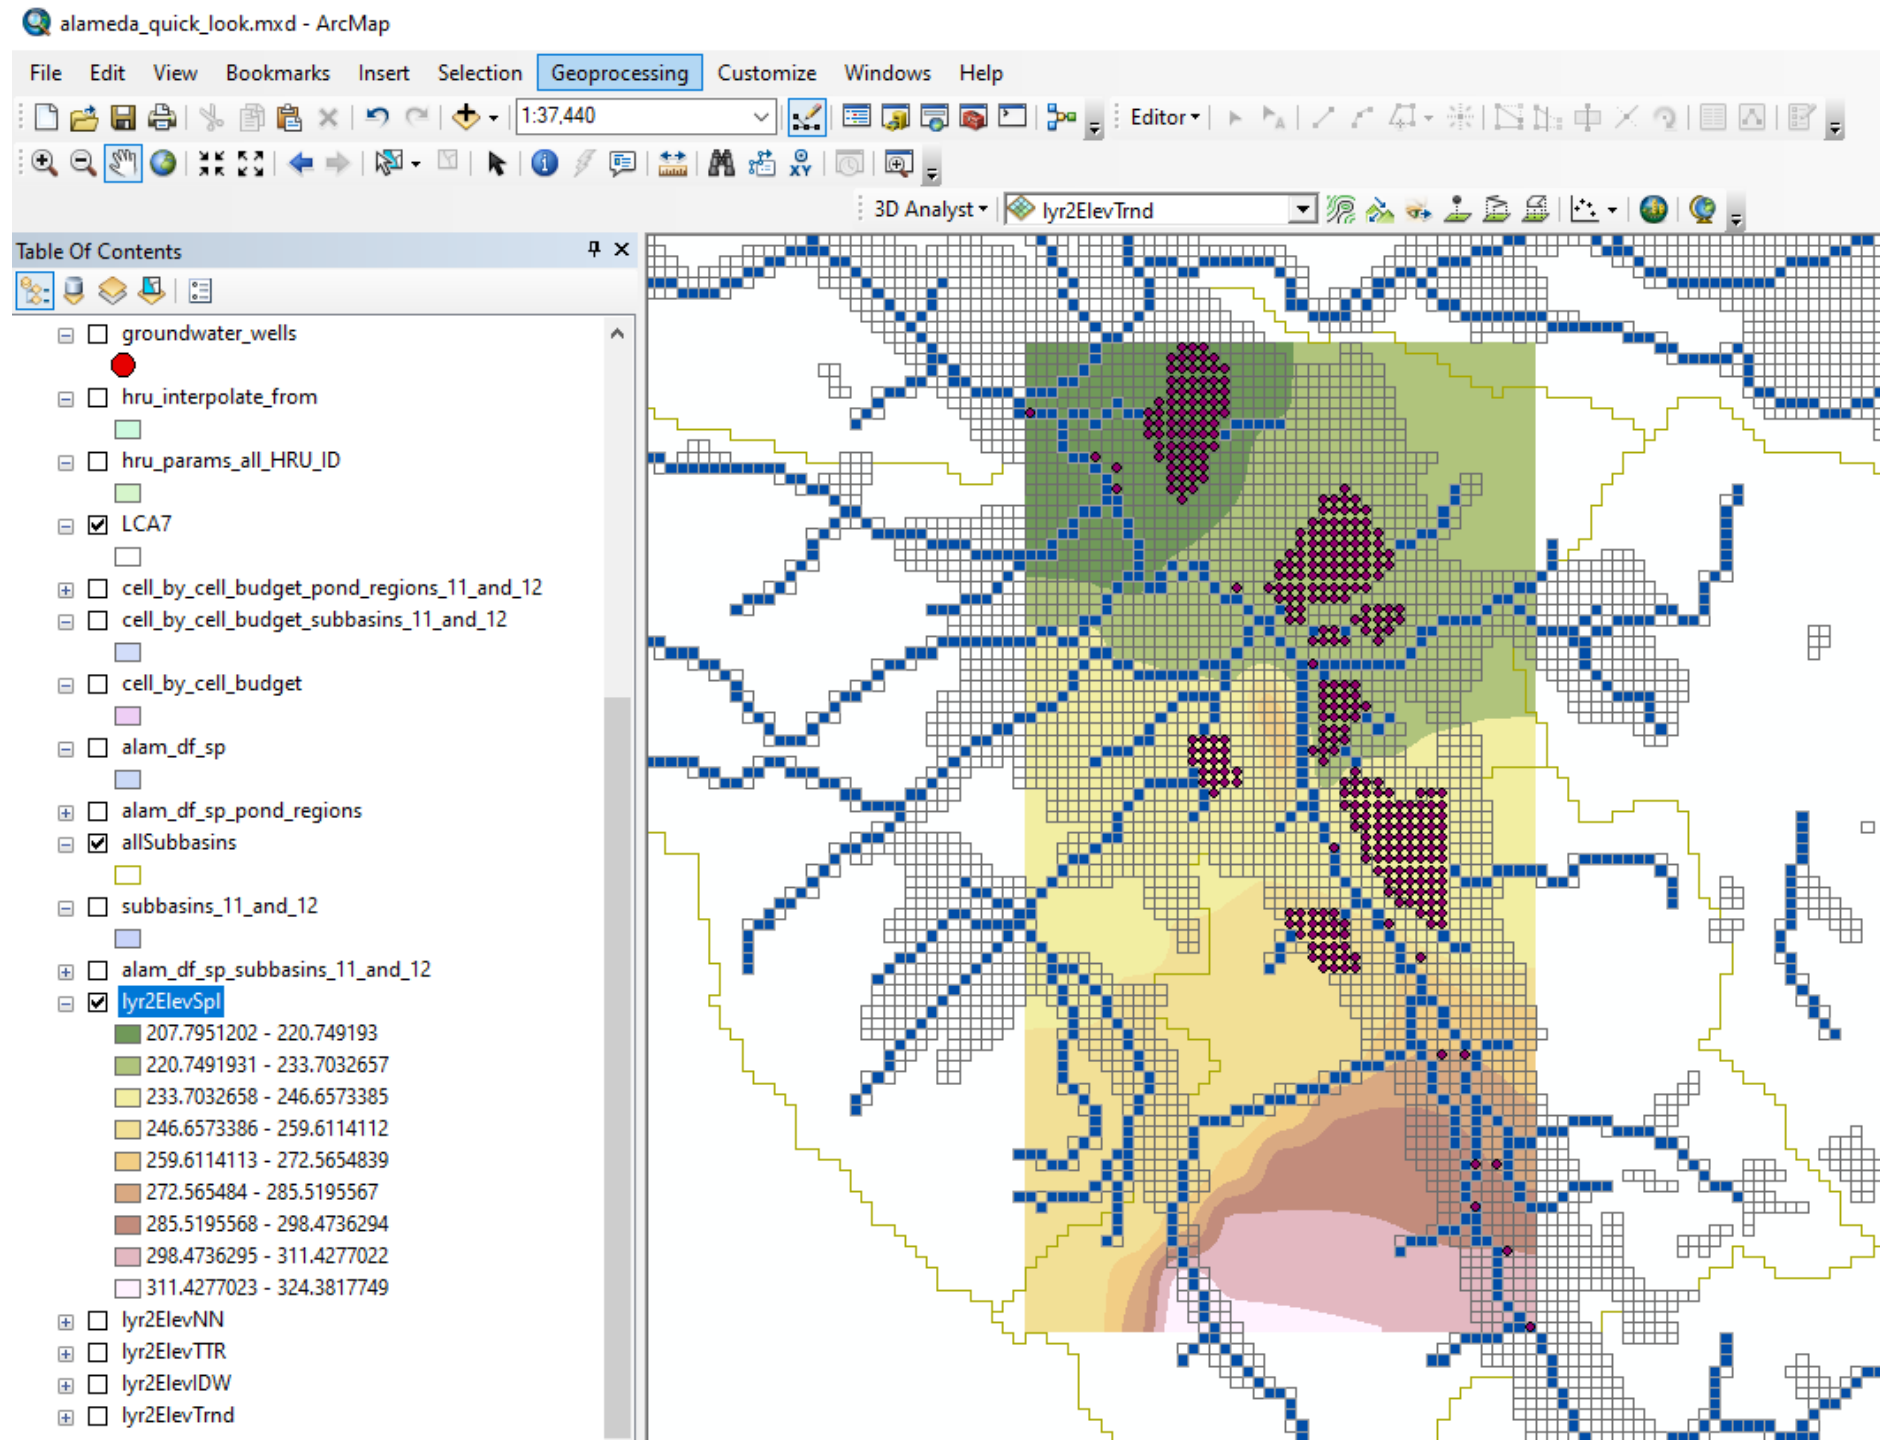

Linear Trend Interpolation

Inverse Distance Weighted Interpolation

Spline Interpolation

Natural Neighbor Interpolation
