Consultants of the SFPUC

**Re: Statement of Financial Interest - Fair Political Practices Commission
Form 700**

Dear Contract Manager:

Your firm is receiving this letter because the San Francisco Public Utilities Commission (SFPUC) has an obligation to notify consultants who may be subject to financial disclosure laws based on the nature of work the firm provides.

Consultants who make certain governmental decisions, participate in making governmental decisions or perform the same or substantially the same duties as a regular employee who would otherwise be required to file are required to complete a Statement of Economic Interest (Form 700). The Form 700 is a state form on which state and local government officials as well as a certain consultants publicly disclose their personal assets and income that may be materially affected by their official actions.

Please consult with your legal counsel if you have any questions regarding whether an individual working for your firm, or an individual working for a listed subconsultant on your contract, is required by law to complete a Form 700. A San Francisco City Attorney's opinion on this topic entitled "Statement on Economic Interest Filing Requirements for Consultants," dated June 13, 2006, is available on www.sfcityattorney.org, under the Opinions tab.

An original signature copy of all completed forms must be returned to the SFPUC Contract Administration Bureau by mail at 525 Golden Gate Avenue - 8th Floor, San Francisco, CA 94102, on or before April 2, 2018. You may obtain a copy of the form and instructions on the Fair Political Practices Commission website at www.fppc.ca.gov.
